Challenges in Munich 2025…

Landeshauptstadt
München
IT-Referat

1. Democracy is crumbling
2. Very few affordable housing options
3. Financial issues
4. Way too much paperwork
5. Global warming
6. …..

München.

Our evaluation criteria

Landeshauptstadt
München
IT-Referat

- Your solution is smart, new, innovative, attractive and useful
- Your idea doesn‘t already exist (check our already existing services on https://stadt.muenchen.de/rathaus.html)
- Your solution adds value to the citizens’ everyday life
- Your prototype is a responsive MVP that works
- Keep in mind the final pitch in the final ceremony!
